About Magnolia Speech School —

All children need a voice. At Magnolia Speech School, we utilize early intervention resources for children to overcome the barriers imposed by hearing impairments and language disorders. We tailor individual educational programs for each child, emphasizing communication, cognition, and social skills development. With a focus on personalized instruction, our dedicated team fosters a collaborative environment where parents and staff work together with trust and respect.

Our ultimate goal is to prepare our students to graduate from Magnolia Speech School and transition into a traditional education setting at a school of their choice, with the verbal skills to succeed and thrive.

Our Mission

Magnolia Speech School creates a community for language and hearing challenged children and their families where they are empowered socially, emotionally, and intellectually to reach their full potential through listening and spoken language.

Games Info

Game Tickets \$20 each

Helice *(2 tickets, 5 targets)*

Clay shooting meets the thrill of real bird hunting. Targets fly fast and unpredictably, creating a challenge even experienced shooters will love.

Long Bird *(1 ticket)*

Take aim at high incoming targets designed to mimic crows or snow geese. Starting at 20 yards, the distance increases with each hit, the furthest consecutive break takes the win.

True Pair *(1 ticket)*

A test of consistency and focus. Keep shooting pairs until you miss. The shooter with the most successful pairs wins.

Snooker *(2 tickets, 2 shooters)*

A head-to-head competition featuring 16 targets, each with a point value based on difficulty. Highest score wins, with a shoot-off to break any ties.

Rising Teal *(1 ticket)*

Targets simulate ducks rising at increasing distances, from 20 to 60 yards. Precision matters, break the furthest consecutive target to win.

Each game played enters you in for a chance to win a door prize. Snooker shootoff after games close for a chance to win \$500.
